48~50為題組，請依題意選出適當答案

Cyber Monday, created in 2005, is the biggest online shopping day in the US. It is basically the online version of Black Friday, the Friday next to Thanksgiving. It is a time when businesses compete to sell their products with all sorts of deals. The offers can be so attractive that people just couldn't stop themselves from making a purchase.

Cyber Monday takes place on the Monday following Thanksgiving, mostly falling in November, but if Thanksgiving is on November 27 or 28, it may take place in December. In fact, online shopping sites sometimes extend Cyber Monday into "Cyber Week" in order that they can make more money.
